| Section 1. Identificati                       | ion  |  |
| <b>Product Identifier</b>                     | MCI-2  | Version: 1<br>Effective Date: 2021/30/07 |
| Other Means Of Identification                 | None   |  |
| Initial Supplier<br>Identifier                | Blackstone Drilling Fluids Limited<br>215 9 Ave SW Suite 700<br>Calgary, AB T2P 1K3<br>Tel: 403-262-5955 |  |
| Recommended Use<br>and Restrictions<br>On Use | Drilling Fluid additive. No restrictions.  |  |
| Product Family 24 Hour Emergency              | Organic acid Canutec (613) 996-6666  |  |

| Section 2. Hazard Identification |  |  |
|----------------------------------|--|--|
| <b>Hazard Classification</b>     | Not hazardous  |  |
| Health Hazard                    | Not hazardous  |  |
| Signal Word                      | None   |  |
| Hazard Statement                 | No known significant effects or critical hazards.                  |  |
| <b>Precautionary Prevention</b>  | Not hazardous  |  |
| Statement                        |  |  |
| <b>Precautionary Response</b>    | Not hazardous  |  |
| Statement                        |  |  |
| Precautionary Storage            | Store in well ventilated place.                                    |  |
| Statement                        |  |  |
| <b>Precautionary Disposal</b>    | Dispose of contents/container to an approved waste disposal plant. |  |
| Statement                        |  |  |
| Other Hazards                    | None   |  |

| Section 3. Composition  | on / Information on Ingredients     |                                      |             |
|-------------------------|-------------------------------------|--------------------------------------|-------------|
| Chemical Name           | Common Name or Synonyms             | CAS NO. and Other Unique Identifiers | % by weight |
| Ingredients are non-har | zardous and constitute a proprietar | y blend.                             |             |

| Section 4. First-Aid Measures |   |
|-------------------------------|---|
| <b>Eye Contact</b>            | Flush eyes with water for 15 minutes. Seek medical attention. |
| Skin Contact                  | Wash with water and soap.                                     |

| Inhalation                    | Remove victim to fresh air. If there is difficulty breathing, seek      |
|-------------------------------|---|
|                               | immediate medical attention.  |
| Ingestion                     | Rinse mouth with water if conscious. Do not induce vomiting. Lay victim |
|                               | on left side to prevent aspiration of any vomit. Seek immediate medical |
|                               | attention.  |
| Most Important                | Product is not hazardous.   |
| Symptoms and Effects          |   |
| <b>Both Acute and Delayed</b> |   |
| Immediate Medical             | None required.  |
| Attention and Special         |   |
| Treatment                     |   |

| Section 5. Fire-Fighting Measures |   |  |
|-----------------------------------|---|--|
| Suitable and Unsuitable           | Use extinguishing media suitable for surrounding fire.                |  |
| <b>Extinguishing Media</b>        |   |  |
| Hazardous                         | Oxides of carbon.   |  |
| <b>Combustion Products</b>        |   |  |
| <b>Specific Hazards Arising</b>   | None known  |  |
| From the Product                  |   |  |
| <b>Special Protective</b>         | Fire-fighters should wear self-contained breathing apparatus and full |  |
| <b>Equipment and</b>              | protective clothing.  |  |
| <b>Precautions For Fire-</b>      |   |  |
| Fighters                          |   |  |

| Section 6. Accidental Release Measures |   |  |
|--|---|--|
| <b>Personal Precautions,</b>           | Gloves, safety glasses and footwear suitable for workplace.             |  |
| <b>Protective Equipment and</b>        | Evacuate all unnecessary personnel.                                     |  |
| <b>Emergency Procedures</b>            |   |  |
| Environmental                          | This material is considered non-hazardous. Large volumes, however       |  |
| Precautions                            | should not be allowed to enter the surface water system.                |  |
| <b>Methods and Materials</b>           | Mop up split material. Place in a suitable container for disposal. Wash |  |
| For Containment and                    | area with soap and water to remove residues.                            |  |
| Clean-Up                               |   |  |

| Section 7. Handling and Storage |   |
|---------------------------------|---|
| <b>Precautions For Safe</b>     | Handle with care                        |
| Handling                        |   |
| <b>Conditions For Safe</b>      | Keep containers closed when not in use. |
| Storage                         |   |

| Section 8. Exposure Cor   | trols and Personal | Protection   |         |        |  |
|---------------------------|--------------------|--------------|---------|--------|--|
| <b>Control Parameters</b> | TWA: 8 Hr          | STEL: 15 min | Ceiling | IDLH * |  |
